Resolve Marine's new waterfront facility on The Foss Waterway provides customers with private dock space and shoreline access and enhanced ship husbandry services including upgraded hull cleaning and prop-polishing packages. The secure outer yard features upgraded salvage equipment and capabilities as well as an increased inventory of emergency response equipment.

MARINE CONSTRUCTION

Reduced mobilization costs means customers save time and money.

- Dock Repair
- Pile Installation, Inspection & Repair
- Outfall Repair
- Jacket Installation
- Underwater Concrete and Bridge Repairs
- FHWA-Compliant Underwater Bridge Inspection Services

SALVAGE & EMERGENCY RESPONSE

A fleet of tugs, barges, heavy lift and crane equipment support offshore emergency towing, salvage, and emergency response.

Salvage masters, mariners, commercial divers, project managers and environmental technicians are ready 24/7.

- Emergency Towing
- Wreck Removal - Heavy Lifts & Cranes
