

RESOLVE PILATUS PC-12

AIRCRAFT

RESOLVE AVIATION

Resolve Aviation is the Aviation Division of Resolve Marine Group. We have offices in Anchorage and Dutch Harbor Alaska. Resolve has operated its Pilatus PC-12/45 regularly between Anchorage and Dutch Harbor/ Unalaska along with other S.W. Alaska destinations including the Aleutians for 2 years; flying trips for company business and emergency response. We are now offering Passenger Charter and Freight delivery to destinations within Alaska and Canada. The PC-12 is an outstanding turboprop aircraft capable of fast, safe trips to your Alaskan destinations including gravel runways and short field situations. . It is a very quiet comfortable aircraft, with seating for 9 passengers or full freighter. Our Pilot holds an Airline Transport Pilot Certificate and has over 6500 hrs. of safely flying Alaskan Skies.
