

Dear OPA 90 Clients,

The COVID-19 (Coronavirus) has presented the world with an unprecedented challenge impacting everything from global economics and health systems to travel and commerce. While special measures are being taken to protect our families and the general public, Resolve Marine and it's OPA 90 SMFF response partner network are prepared, positioned and ready to respond.

Resolve Marine's 23 strategically positioned SMFF warehouses and offices throughout East/West Coast United States and the Caribbean Islands are well-prepared with experienced teams employing owned and "At Ready" response assets:

• Firefighting Systems	• Lightering Systems
• Experienced Personal	• Response Vessels
• Towing Assets	• Damage Stability Assessments

As the global COVID-19 pandemic grows, we want you to know that Resolve Marine is taking proactive measures to ensure our global teams in the US, Europe, Africa, and Asia are fully operational and supplied to continue providing the trusted support you have come to rely upon.

**FOR EMERGENCIES, PLEASE CALL OUR 24/7 MANNED EMERGENCY NUMBERS:**
