

**NEW BRAND IDENTITY FOR RESOLVE MARINE
– Rebrand Allows for Broader Recognition of Subsidiary Operations –**

For Immediate Release

June 10, 2019 – Fort Lauderdale, FL – Resolve Marine, a global leader in specialized marine services, today announced a brand refresh and new logo that allows global subsidiary operations to be incorporated along with the parent company brand.

Resolve Marine (formerly Resolve Marine Group) today has a presence in the United States, Europe, Africa, and Asia. The company's primary subsidiary operations are Resolve Academy, the company's education and training division and Resolve Aviation, offering flight services throughout Alaska, western Canada, and The Pacific Northwest.

The new logo elements include a word mark and graphic symbol. The wordmark enables divisions to be paired with the Resolve Marine brand. The graphic symbol, first developed under the stewardship of the company's founder, depicts two hands holding a firehose, part of Resolve Marine's early expansion to train marine firefighters.

A private company [established in 1984 by Joe Farrell Jr.](#), Resolve Marine has grown from a one-tug operation into one of the world's leading maritime services and solutions provider. The new brand identity represents a trusted team of experts that bring a global presence and local response to every project.

Joseph Farrell, III, director of business development, said, "The growth of our business has been built on innovation, a culture of investing in our people, assets and equipment, and serving our clients. This new brand identity reflects our journey and leadership position in our industry."
